# Before you travel

## Buy Travel Insurance

Check your Travel Insurance includes COVID-19 cover. Make sure you have declared all medical conditions and have considered any optional extras.

## Make arrangements for your pets

Make arrangements for your pets to be cared for whilst you are away.

## Sort your medication

Speak to a medical professional about any medications you're taking and get a prescription to cover your trip. Keep all drugs in your original packaging and take a copy of your prescription.

## Leave contact details

Provide a family member or trusted friend with your contact number, accommodation information as well as a copy of your Travel Insurance documents.

## Buy essentials

Buy essentials including; suncream, insect repellent, toiletries

## Prepare your entertainment

Buy or download any films, books or music you plan to entertain yourself with while travelling.

## Arrange activities and days out

Organising your activities in advance can help save you time. Many discounts are offered online. To browse a range of trips and days out by region, visit:
